

BLUE RIBBON DOG SPORTS COACHING LLC

SESSION DESCRIPTIONS *NOTE:* To register go to *Class Schedules page*

All sessions take an individualized approach. Students are encouraged to bring their 'wish list' to each class so that we can work on what is important to YOU.

ATTENTION

ATTENTION GAMES and HEELING

Using food as a teaching tool and YOU as the reward, this class is the foundation for great attention in the obedience and rally ring. In addition to games that teach your dog that paying attention is fun and rewarding, students will learn how to do their part in heeling properly and keeping their dog happily focused and engaged. Whether you're a novice trainer or an experienced one looking to jazz up your dog's performance, this class is for you! Six week cycles.

FUN FOUNDATIONS

Open to pups from 8 weeks to 1 year, this class is on-going and designed to get ALL performance pups off to the best start. Proper socialization, attention games, walking nicely on a leash, recall games, retrieve games, and much, much more...(6 week cycles)

RELIABLE RECALLS AND RETRIEVES *(6 weeks)*

Whether it's a bumper, bird, dumbbell or ball, this class is for any dog, young or old that needs to learn a reliable retrieve. Limited to 6 teams to insure an individualized approach and success.

RALLY

(all classes 6 weeks unless noted)

ATTENTION GAMES AND HEELING - please see page 1

RALLY HANDLING SKILLS

- This is for anyone who wants a perfect score in Rally! The focus of this class is on analyzing and strategizing exercises and courses, how and when to use your attention “tools” and how to relax in the ring because you’re working as a team.

RALLY I (Jan. 2012 this class is being taught in conjunction with Beginner Novice)

- Limited to 6 teams, this session covers all the APDT Level 1, AKC Novice exercises.
- Short course sequences will also be run and leash handling skills will be polished.

RALLY I RING PREP

- This session gets you ready for success in the rally ring. Courses will be run, in-depth review of scoring guidelines, problem-solving, polishing, proofing and more.

RALLY II

- Limited to 6 teams, this session covers all the APDT Level 2, AKC & Advanced exercises.
- Short course sequences will also be run, emphasis on off-leash handling skills and jumping skills.

RALLY II Ring Prep

- This session gets you ready for off-leash success in the rally ring. Courses will be run, in-depth review of scoring guidelines, problem-solving, polishing, proofing and more.

RALLY III

- Limited to 6 teams, this session covers all the APDT Level 3, AKC Excellent exercises.

RALLY III Ring Prep

- This session gets you ready to earn the top level titles with great scores! Courses will be run, in-depth review of scoring guidelines, problem solving, polishing, proofing and more.

COMPETITION OBEDIENCE *(all classes 8 weeks unless noted)*

ATTENTION GAMES and HEELING - please see page 1

Beginner Novice/Rally I

- This class takes an individualized approach to teaching the skills required to successfully perform the AKC Beginner Novice exercises in conjunction with Rally I. It will transition to Novice 1 and Rally students will go on to Rally I Ring Prep.

NOVICE RING PREP/BEGINNING OPEN

- This on-going session maintains and improves Novice skills and introduces the Open class exercises for AKC, CDSP obedience.

OPEN/UTILITY

- This on-going session takes an individualized approach to not only teaching the skills required to successfully perform the Open and Utility class exercises in AKC, CDSP and obedience but also intensive polishing/prooing/problem solving.
