

The Navesink River Hunting Retriever Club presents

## Pat Nolan – The Art and Science of Retriever Training

Saturday and Sunday June 9 & 10, 2012  
Assunpink WMA, Robbinsville NJ

From getting your puppy off to the right start to challenging advanced concepts, Pat has a unique approach that maximizes your retriever's drive and learning. Pat's strong fundamental training concepts form a solid foundation for retrieving work. You will gain a clear understanding of how dogs learn so that you can progress your training to a higher level. Pat's "break-through" and innovative methods will be of interest to all trainers regardless of level.
