

BLUE RIBBON DOG SPORTS COACHING LLC

SESSION DESCRIPTIONS NOTE: To register go to *Locations & Class Schedules* page

- \$125 per six week session
- \$150 per eight week session
- \$75 per four week session
- Single week sessions as noted below are \$12.00 (minimum 4 students required to hold these sessions – discounts do not apply to single week sessions)
- Skills for Hunting Retrievers – 6 weeks, \$175. (this class meets for three hours each week)

All sessions take an individualized approach. Students are encouraged to bring their 'wish list' to each class so that we can work on what is important to YOU.

ATTENTION GAMES

ATTENTION GAMES

- Attention is the key to teamwork! You will learn lots of reward based, motivational games to get and keep your dog's attention and how to incorporate these games into your training. (6 weeks)

ADVANCED ATTENTION GAMES

- More games; geared to each of the obedience and rally exercises, and how to use them in a match and in the ring. (6 weeks)

NEW!!! FUN FOUNDATIONS

Open to pups from 8 weeks to 1 year, this class is on-going and designed to get ALL performance pups off to the best start. Proper socialization, attention games, walking nicely on a leash, recall games, retrieve games, and much, much more...(6 week cycles)

RELIABLE RECALLS AND RETRIEVES (6 weeks)

Whether it's a bumper, bird, dumbbell or ball, this class is for any dog, young or old that needs to learn a reliable retrieve. Limited to 6 teams to insure an individualized approach and success.

RALLY

(all classes 6 weeks unless noted)

RALLY HANDLING SKILLS

- This is for anyone who wants a perfect score in Rally! The focus of this class is on analyzing and strategizing exercises and courses, how and when to use your attention “tools” and how to relax in the ring because you’re working as a team.

RALLY I

- Limited to 6 teams, this session covers all the APDT Level 1, AKC & UKC Novice exercises.
- Short course sequences will also be run and leash handling skills will be polished.

RALLY I RING PREP

- This session gets you ready for success in the rally ring. Courses will be run, in-depth review of scoring guidelines, problem-solving, polishing, proofing and more.

RALLY II

- Limited to 6 teams, this session covers all the APDT Level 2, AKC & UKC Advanced exercises.
- Short course sequences will also be run, emphasis on off-leash handling skills and jumping skills.

RALLY II Ring Prep

- This session gets you ready for off-leash success in the rally ring. Courses will be run, in-depth review of scoring guidelines, problem-solving, polishing, proofing and more.

RALLY III

- Limited to 6 teams, this session covers all the APDT Level 3, AKC and UKC Excellent exercises.

RALLY III Ring Prep

- This session gets you ready to earn the top level titles with great scores! Courses will be run, in-depth review of scoring guidelines, problem solving, polishing, proofing and more.

RALLY RUN-THRUS *(Single 1 week session)*

RALLY PRACTICE GROUP *(Single 1 week sessions)*

- Structured practice groups that focus on attention, skill mastery, and building your dog’s stamina.

COMPETITION OBEDIENCE *(all classes 8 weeks unless noted)*

COMPETITION OBEDIENCE PRACTICE GROUP– ALL LEVELS (6 weeks)

- Individualized attention to teaching/maintaining the exercises for all levels with a concentration on attention, heeling, polishing/proofing/problem solving. Whether you need extra help in problem solving/proofing/polishing or are ready to begin teaching new skills, Practice Group concentrates on your individual needs. We will also do group stays.

TEACHING NOVICE

- This on-going session takes an individualized approach to teaching the skills required to successfully perform the Novice class exercises in AKC, CDSP and UKC obedience.

NOVICE RING PREP/BEGINNING OPEN

- This on-going session maintains and improves Novice skills and introduces the Open class exercises for AKC, CDSP and UKC obedience.

OPEN/UTILITY

- This on-going session takes an individualized approach to not only teaching the skills required to successfully perform the Open and Utility class exercises in AKC, CDSP and UKC obedience but also intensive polishing/proofing/problem solving.

STAYS

- Novice and Open stays are practiced from 7:15 – 7:30 each week. All those enrolled in Novice and/or Open are welcome and encouraged to participate in Stay practice at no charge.

SKILLS FOR HUNTING RETRIEVERS *(6 weeks)*

Get started on teaching and improving the skills needed for success in the field: marking, retrieve, perseverance, trainability, along with handler skills, casting, blind work and more.
